Around 700 hrs of Extensive CRT training for 116 days was given to final year students.

80% of all eligible candidates have been placed while a few company's results are awaited. 30 more companies are expected by the end of this academic year for further recruitment.

06. Upgradation of infrastructural facilities

- New hostel for boys of area 67759 Sft. having AC, non AC and Centralized to house around 500 students. The ground floor this building has air conditioned dining facility of capacity 160 at a time, 3 air conditioned guest rooms and one air conditioned Gym area.
- New Centrally air-conditioned Canteen with an area of 17636 Sft is under completion and is expected to be ready for usage from June 2020.
- New Workshop with an area of 6738 Sft. is also under Completion. This is a facility additional to the AICTE existing norms and meant for housing advanced machinery like CNC milling, Turning and robotic arm. It equips the students in doing their project work.

Value addition to curriculum:

Internships

The main motive behind this is to prepare a student ready for industry placement as soon as he passes out from college. As a part of it, MOUs have been signed with various organizations like Imagine to Innovate, BSNL, Flamboyant solutions to train students/ provide internships. All 2nd year students were given training in design softwares like CATIA for mechanical and computational software like MATLAB for remaining branches.

Faculty

To regularize the staff leave position a new ERP system has been introduced as paper-less system with bio-metric facility. Faculty can apply for regular leaves as well as assigned duty leaves through this system. Faculty performance can also be rated through this software.

20 Research papers of faculty have been published / accepted for publication in reputed international journals during the last semester and around 15 papers were submitted.

Mr. S. Rajesh. Asst Professor of Mechanical dept was awarded Nava Bharat Nirman Award at all India level with a cash prize of Rs. 20000/-

Projects Sanctioned:
