PROJECT WORK

1. The project work shall be evaluated for 200 marks out of which 50 marks for internal evaluation and 150 marks for semester end evaluation.
2. The project work shall be spread over in VIII semester. The project work shall be somewhat innovative in nature, exploring the research bent of the mind of the student.
3. A project batch shall comprise not more than five students.
4. At the end of VII semester, students should submit synopsis summarizing the work done in VII semester.
5. The project is expected to be completed by the end of VIII semester.
6. In VII semester, a first mid review is conducted by Project Review Committee (PRC) (on the progress) for 10 marks.
7. In VIII semester, a second mid review is conducted by PRC (on the progress) for 10 marks. On completion of the project, a third evaluation is conducted for award of internal marks of another 30 marks before the report is submitted, making the total internal marks 50.
8. The end semester examination shall be based on the report submitted and a viva-voce exam for 150 marks by a committee comprising the Head of the department, project supervisor and an external examiner nominated by the Principal. A minimum of 40% of maximum marks shall be obtained to earn the corresponding credits.
