

**Mr. KRANTHI KUMAR SAILA**

Associate Professor

**Department**

Electrical and Electronics Engineering

[kranthikumar.saila@raghuenggcollege.in](mailto:kranthikumar.saila@raghuenggcollege.in)

**Academic Background**

M.Tech (Advanced Power Systems) – University College of Engineering, Jawaharlal Nehru Technological University Kakinada [JNTUK Campus], Andhrapradesh

B.Tech (Electrical and Electronics Engineering) – GMR Institute of Technology Rajam, Andhrapradesh

Mr.Kranthi Kumar Saila has 15 Years of teaching experience in Electrical and Electronics Engineering. He has taken subjects related to Electrical Power Systems and Electrical Machines. He has been proficient in courses like Electrical Machines-1, Electrical Machines-2, Electrical Machines-3, Power System Analysis, Electrical Distribution Systems, Utilization of Electrical Energy and HVDC Transmission.

He has published papers in IEEE conferences and Springer Book series.

He is a Life member of ISTE.

**Research Interests:**

Electrical Power Systems with emphasis on Renewable Energy Resources.

**Conference Publications**

- Attended and published paper in IEEE Conference
- Attended and published paper in International Conference
- Attended and published paper in National Level Conference

**Journal Publications**

- Published paper in international Journals

**Achievements:**

- Certified On-Line NPTEL Course.
- Certified On-Line Course on MATLAB.
- Certified SIEMENS WEB BASED TRAINING

**Seminars, Workshops and FDP [Faculty Development Programs]:**

Attended so many Off-line and On-Line Technical Seminars, Workshops and FDPs conducted by Various NITs, Universities, Reputed Engineering Colleges and world Class Industries Like ABB and Siemens.
