## Department Of NCC

3-Day International Yoga Day 2023 celebrations were celebrated in the college.

On **Day1 20-6-23** Women Empowerment Cell organized Yoga for women especially to the girl students of the college. The venue for the event was Indoor Sports stadium. The program started at exactly 10am and maximum girl students of the college took the best training enthusiastically.

On **Day2 21-6-23** which is International Yoga Day NCC,NSS Units of the college organized “YOGA For VasudaivaKutumbakam” a Yoga training cum practice session trained by Yoga Gurus of the college. The event was conducted in Indoor sports stadium at exactly 10am and maximum number of students participated in the program very actively, the resource persons for the program are Yoga Gurus Sri M.Venkata Ramana and Sri K.Srinivasa Rao garu both are faculty in the college.

On **Day3 22-6-23** a seminar on “Indian Traditional Yoga” was organized both by NSS and IIC of the college. The resource persons Sri M Vekata Ramana and Sri K Srinivasa Rao garu imparted great knowledge about the traditional Indian Yoga to the students and faculty members.

The detail report of each day is attached below.

### Report on “Yoga for women”

Raghu Engineering College has organised to celebrate **International Yoga Day** which falls on 21st June 2023. In this context the college planned a three Day Program : 20th June Yoga Session for girls, 21st June , on the theme “**Vasudhaiva Kutumbakam**”, 22nd June, A Seminar on Indian Traditional Yoga.

Women Empowerment Cell , has organised a Yoga session only for the girl students. Mrs K Lalitha Jagadeeswari has been invited as the resource person for this session. She has been a Yoga Trainer in AU Yoga Village till 2020 and after Covid she has taken freelance Yoga Training. Nearly 130 girls participated in the session . She started the session explaining briefly about the importance of yoga ,especially for the young girls and how particular Asanas cure some of their physical problems. Mrs Lalitha has made the girls perform some Asanas which will have positive effect on their health like vajrasana, Bhujangasana, Dhanurasana, Ustrasana, Muktasana, Bhadrasana etc. The session lasted for one hour and the girls showed a lot of dedication and followed the trainer by practising the Asanas.

## Department Of NCC

As part of 3-day International Yoga celebrations, on 21-6-23 International Day of Yoga is celebrated in our college. The topic of the day is “YOGA FOR VASUDAIVA KUTUMBAKAM” and was inaugurated by Principal Dr.Ch.Srinivasu garu in Indoor sports complex at 0900Hrs and in his address he spoke about the importance of doing Yoga to students.

After that Yoga Gurus Sri K.Srinivasa rao and Sri M.Venkata Ramana took over the session and trained the students about common yoga Protocol and Astanga Yoga.

All the students were actively involved in doing Yoga asanas and learnt the procedures with great interest.

On this occasion there are 200 students both boys and girls participated along with 33 NCC cadets.

All the NCC and NSS Units officers, staff members participated in the event.

The program was organized by REC NCC Units in collaboration with REC NSS Units

## International Yoga Day 2023 Celebrations

**(From : 20<sup>th</sup>, 21<sup>st</sup> & 22<sup>nd</sup> June -2023)**

Day -3 : on 22<sup>nd</sup> June 2023,

Raghu Engineering college, International Yoga Day is celebrated annually to raise awareness about the numerous benefits of practicing yoga and to foster global harmony and well-being. In this event more than 300 students, staff, NSS Volunteers, NCC cadets, NCC and NSS Officers were participated.

In this seminar, the trainers of yoga gurus Sri. M. Venkata Ramana, Sri. Srinivas addressed the following points to the students and practiced some of the important asanas :

1. **Stress Reduction and Mental Health:** Engineering students often experience high levels of stress due to rigorous academic demands and competitive environments. Yoga provides effective stress management techniques, relaxation, and mindfulness practices that can help reduce anxiety, improve mental clarity, and enhance overall well-being. Regular yoga sessions can cultivate a calmer and more focused mindset among students.
2. **Physical Fitness and Posture:** Sitting for long hours during lectures and studying can lead to poor posture, muscular imbalances, and sedentary lifestyle-related health issues.
3. **Incorporating yoga into the daily routine of engineering students can promote physical fitness, relieve muscle tension, and prevent common musculoskeletal problems.**
4. **Improved Concentration and Cognitive Function:** Yoga practices such as pranayama (breathing exercises) and meditation enhance oxygenation to the brain, improve blood circulation, and increase mental clarity. Regular practice can enhance concentration, memory, focus, and cognitive abilities, leading to improved academic performance among engineering students.
5. **Enhancing Interpersonal Skills and Teamwork:** Yoga often includes activities that foster mindfulness, self-reflection, and empathy. Group yoga sessions can create a sense of community and connection among engineering students, promoting teamwork, collaboration, and better interpersonal skills. These qualities are crucial for their future professional careers.

## Department Of NCC

6. Holistic Development and Work-Life Balance: Engineering education tends to prioritize technical skills, sometimes neglecting the holistic development of students. Integrating yoga in the curriculum or extracurricular activities allows students to cultivate a balanced approach to life, integrating physical, mental, and emotional well-being. This holistic development can lead to more well-rounded and fulfilled engineers.

Beach cleaning & Paper bags distribution on 7-7-23:

NCC Cadets and officers belonging to all the units travelled to Bheemunipatnam beach in college bus and in the beach cadets and officers had conducted the cleaning activity and collected the plastic and other waste to handover into municipality provided dust bins. Each cadet actively involved in the cleaning activity. After completing the beach cleaning cadets distributed the paper bags in both the Bhemunipatnam and Tagarapauvalasa main markets and gave awareness to shop keepers and public not to use plastic bags. All the paper bags were made by NCC Cadets in their vacant hours from 3-7-23 to distribute these on 7-7-23. There are nearly about 600 paper bags had been distributed.

Cadets from different groups from AP & Telangana directorate are been selected at the group level. We have undergone various SSB techniques and processes like

1. OIR tests
2. GTO
3. Mock interviews
4. Group disussions

We had been trained for the direct interview process through NCC and was able to understand the usage of NCC under various departments. This camp helped us to understand the process of SSB.

## Department Of NCC

The Independence Day celebrations were conducted in the college campus grandly. The venue for the Flag hoisting ceremony is REC Main Gate hostel ground arena. On this occasion the activities such as Flag hoisting and pledge was carried out. The Principal REC Dr. Ch. Srinivasu and Principal RCP Dr. Jagadeesh panda hoisted the flag at 0930hrs. The program started with the marchpast by NCC cadets followed by receiving the two guests by NCC cadets on to the stage. The number of NCC cadets attended are 90. There were NSS volunteers, students and all the faculty present on the occasion.

After completion of Flag hoisting, all the participants gave pledge on MERI MAATI MERI DESH, which is as follows

- (a) To work tirelessly for the dream of a developed India
- (b) To eradicate all traces of a slave mentality
- (c) To take pride in and preserve our glorious heritage
- (d) To work for the unity and integrity of our nation
- (e) To reaffirm our unwavering duties to the nation.

The program ended with the distribution certificates to the deserving cadets and NSS volunteers

### Rock Climbing Training and Competitions:

- Rock climbing involves ascending steep rock faces using specialized equipment and techniques. Climbers use ropes, harnesses, carabiners, and other gear to protect themselves from falls and to anchor themselves to the rock. Climbing can be done indoors on artificial walls or outdoors on natural rock formations.
- We had demo classes regarding rock climbing and safety measures and instructions are given by the rock climbing trainer.
- After that we had experienced the Adventurous Rock Climbing near the Camp Area
- In this Rock Climbing Training Camp we had also participated in the Rock Climbing Competations according to the directorates including both SW & JW

consists of a defensive structure and two main palaces, Gujari Mahal and Man Mandir, built by Man Singh Tomar. The fort has been controlled by a number of different rulers in its history. The Gujari Mahal was built for Queen Mrignayani. It is now an archeological museum. The oldest record of “zero” in the world was found in a small temple, which is located on the way to the top. The inscription is around 1500 years old.

### Introduction and opening address

- The Aim of Combined Annual training camp is to train SD/SW cadets who are appearing for 'A', 'B' and 'C' certificate exam in rifle drill , Weapon training and other subjects.
- All cadets from different institutions which are under 2(A) GIRLS BATTALION are almost 500 cadets took part in the CATC -7camp

### Weapon training

- Being an NCC cadet and participating in drill activities is a unique and rewarding experience.
- NCC drill emphasizes discipline and precision. We learnt to march in formation, follow commands, and maintain uniformity in our movements.

## Department Of NCC

On January 6, 2024, a sea of vibrant youth energy swept through the streets of Visakhapatnam as Raghu Engineering College participated in the NATIONAL YOUTH DAY AWARENESS RALLY. This significant rally was organized by the Rama Krishna Mission Ashrama, VSP, and supported by the NCC Group, Visakhapatnam. It started from the Government Women's College at Jail Road, Dabagardens, and proudly concluded at the Ramakrishna Mission Ashrama on RK Beach.

The event was not just a procession; it was a powerful expression of youth potential, aimed at enlightening the public on the critical importance of youth in shaping our future. A remarkable group of 150 cadets from all the NCC Units of Raghu Engineering College took part, their presence a testament to the college's commitment to active citizenship and community engagement.

January 6, 2024, became a memorable day as National Youth which is on 12-1-24 was celebrated with the presence of esteemed IAS and IPS officers from the AP Government leading the charge. Their participation amplified the message of the rally, highlighting the essential role that the youth play in social transformation.

Throughout the march, the cadets, together with REC NSS volunteers and students, worked to spread awareness, interacting with community members and sharing the vital message of the day. It was an impactful sight as these young minds worked side-by-side with NCC Officers, ANOs, and PI staff, all united under the noble cause of rallying youth for social good.

The general public, who came in large numbers to witness and support the rally, saw firsthand the power of collective youth action. From the start at Dabagardens to the culmination at RK Beach, every step taken was a step towards awakening society to the infinite possibilities that lie within our youth.

This rally marked not just a day on the calendar but signified a movement, a clarion call for harnessing the untapped energy of young souls for the betterment of our society and country. As the cadets marched, they carried with them the hopes and dreams of a nation ready to entrust its future to the promising leaders of tomorrow.

### REPUBLIC DAY CELEBRATIONS : 26-01-2024

Name of the activity : Flag unfolding, Drug Free Abhiyan Pledgge

Name of the Scheme : NA

Date(s) of conduction : 26-01-2024 Time: 8.00 a.m.

Organizing Unit : REC NCC Units

In collaboration with : REC NSS Unit

Number & name(s) of officer(s) attended : 4 & Lt Krishna Kishore, Lt. Santoshi, Sub Lt.Arun Kumar, CTO T.Dilleswari

Number of Cadets attended : 120

The Republic Day celebrations at Raghu Engineering College on the 26th of January, 2024, stood as a beacon of the institution's devotion to national ethos and the holistic development of its students. In conjunction with the vibrant Flag Unfolding ceremony and the Drug Free Abhiyaan Pledge held at the college's REC Main Gate Statue Arena, the institution proudly announced the participation of 30 cadets in the Republic Day event conducted at JNTUGV. These cadets, chosen for their exemplary discipline and zeal, represented the college with great honor and pride, adding another chapter to the college's storied tradition of participation in significant national events.

In a commendable feat, SUO Surya Kumar of the 3(A) Naval Unit extended the college's presence to the national capital by participating in the prestigious RDC Camp in New Delhi. His involvement in such a high-profile event not only exemplified the individual caliber of the cadets nurtured within the college but also reflected the national recognition of the college's NCC program. The RDC camp, known for its rigorous standards and competitive spirit, provided an unparalleled opportunity

## Department Of NCC

for SUO Surya Kumar to interact with fellow cadets from across the country, exchange ideas, and partake in the nation's cultural and defense showcases.

Furthermore, four distinguished cadets from the college had the honor of participating in the State LRDC, conducted by the Government of Andhra Pradesh in Vijayawada. Their selection for this event was a testament to their outstanding abilities and the quality training provided by the college's NCC units. The State LRDC serves as an essential platform for cadets to display their leadership skills, discipline, and commitment to civic responsibilities, and the participation of these four cadets underlined their readiness to take on roles that contribute to both state and national welfare.

The Republic Day celebrations at Raghu Engineering College, thus, were not only about the local proceedings that took place within the college grounds but also about the broader impact and outreach of its cadets. The day was marked by a series of accomplishments that spanned from the local to the national level, showcasing the dedication and the spirit of service that runs deep within the college's NCC units. As the tricolor unfurled and the cadets took the pledge to uphold the nation's values, the college community took immense pride in the achievements of their cadets, who had become symbols of the institution's commitment to fostering leaders of tomorrow.

The college's dedication to inculcating a sense of discipline, patriotism, and service was evident in every aspect of the Republic Day celebrations. It was a day that encapsulated the collective commitment of the Raghu Engineering College family to contribute meaningfully to the nation's journey of growth and development. As the ceremonies concluded, the hearts of those present were filled with hope and the unwavering belief in the power of youth to steer the nation towards an era of peace, prosperity, and unparalleled progress.

### C Certificate Piratical Exam :

Raghu Engineering College, an autonomous institution, hosted the prestigious 'NCC C-Certificate Practical Examination' on the 14th of February 2024. This significant event was organized by the 2(A) Girls Bn, VZM in collaboration with the 14 (A) NCC Bn. The examination took place at the Raghu Engineering College Grounds, which was a perfect venue for such an event. The examination was presided over by Col. Panda, the Commanding Officer of the 14(A) NCC Bn, SKLM. This event was a crucial activity for the NCC UNIT of the college, underlining the importance of the National Cadet Corps in fostering discipline and patriotism among students. A total of 160 cadets from various colleges under the battalion attended with zeal and demonstrated their practical knowledge and skills. The event also saw the presence of ANOs and PI Staff who are board members from the NCC Group, adding to the gravity of the examination. The successful conduct of the event reflects the college's commitment to holistic education and its support for national defense preparedness.

Field	Details
Event name	C-Certificate practical exam
Type of activity	NCC UNIT activity in college

### INTERNATIONAL CITY PARADE-MILAN 2024

On the 21st of February 2024, the International City Parade-MILAN 2024 showcased a demonstration of discipline and unity by the NCC cadets on RK BEACH ROAD, Visakhapatnam. Organized by the Indian Navy and Visakhapatnam NCC Group and in collaboration with 2(A) CTR NCC UNIT and 3(A) NAVAL UNITS of Raghu Engineering college, this extension activity was a stirring display of patriotism and camaraderie. The event, which was part of a multilateral naval exercise hosted by the Indian Navy, was attended by the Defence Minister, Shri. Rajnath Singh, as the chief guest, along with various Indian Navy officials, state government officials, NCC officers, and the general public. The parade, featuring 10 cadets from Raghu engineering college and all other NCC cadets from various units under NCC VSP Group, was a microcosm of India's rich cultural diversity and commitment to international maritime cooperation.

Field	Details

### World Water Day

Name of the activity : World Water Day- Awareness Rally and Pledge

Name of the Scheme : Water for Peace

Date(s) of conduction : 22-03-2024 Time: 10:00 a.m

Organizing Unit : REC NCC Units

In collaboration with : REC NSS Units

Number & name(s) of officer(s) attended : 4 & Lt M.krishna Kishore, Lt. Ch. Santhoshi, T.Dilleswari

Number of Cadets attended : 60

Name of the event: World Water Day-2024

On the occasion of World Water Day-2024, the NCC units of Raghu Engineering College, in unison with the NSS and REC IIC, spearheaded a compelling Extension Activity in Mopada Village. This initiative, taking place on the 22nd of March, 2024, was guided by the theme 'Water for Peace'. It aimed to instill the significance of water conservation in the path to peace and development. The event was a powerful reminder of the symbiotic relationship between our water practices and the global goal of peace.

A cadre of 60 dedicated cadets from various units, including the CTR Unit, 3(A) Naval Unit, and all three Girls Units, marched forth in an awareness rally, threading through the heart of Mopada Village. The rally was not only a spectacle of the cadets' commitment but also a call to action for

## Department Of NCC

the villagers and the attending school children. The highlight of the day was the World Water Day pledge, which resonated with the voices of the NCC cadets, NSS volunteers, school children, and their educators. This collective oath marked a commitment to water stewardship and to tread a path that leads to peace, one drop at a time.

The activities conducted served as a dual force of education and awareness, as they underscored the critical importance of conserving our water resources. Through this endeavor, Raghu Engineering College's NCC units stood as champions for the cause, mobilizing the community and leading by example. The event was a testament to the institution's engagement with societal challenges and its pursuit to foster an ethos of conservation among the youth and the general populace alike.
